Report on Library Orientation Programme for Newly Joined Faculty Members

The Library Orientation Programme for newly joined faculty members was conducted on 13th September 2025, from 2:30 PM to 3:30 PM at the VLSI Lab, Chhatrapati Shivaji Block. A total of 42 new faculty members attended the session.

The session was led by Dr. Anitha S Rai, Director – Library and Alumni Relations, who provided a comprehensive overview of the library's resources and services. Key areas covered during the orientation included:

- Overview of Library Collections and Facilities
- Library Rules and Policies
- Access to Digital Resources and Institutional Repository
- Research Tools and Databases for Academic Support
- Integration of Library Resources with Learning Management Systems (LMS)
- Citation Management Tools
- Personalized Research Assistance

The faculty members actively participated in the interactive session and raised several pertinent queries, particularly related to:

- Off-campus access to digital resources
- Integration of library resources into LMS platforms
- Personalized research support and citation tools

Dr. Anitha S Rai addressed all the questions in detail and encouraged the faculty to actively engage with the library to support their teaching, learning, and research endeavors.

Conclusion

The orientation programme was well received and proved to be highly informative and essential for the newly joined faculty members. It successfully highlighted the pivotal role of the Library and Information Center in promoting academic excellence and supporting research activities. The session concluded with a note of appreciation for Dr. Anitha S Rai's valuable guidance and a gentle reminder to faculty members to make effective use of the library services and resources throughout the academic year.
